The Cat Who Was Alone.

👁 12 ✓ 1 ★ 2

Chapter 1 by Story Wars

There was once a stray cat. Living alone he needed food ever since his owners left him. So he went to a house and yowled hoping that the humans inside, were nice enough to give him food maybe even a home! But instead of a human a dog busted through the pet door!

Chapter 2 by Taznixx

Then all the sudden a human said something and the dog backed away its eyes in terror, I never got why dogs let humans control them. The human looked at me then tried to pick me up, but I dashed away. What could I do I didn't want to live with a dog!
